

Church of All Worlds

Membership Pledge

In dedication to the celebration of Life in its many forms, I hereby declare my commitment to a way of life that is ethical, benevolent, humanistic, life-affirming, ecstatic and ecologically sane. I subscribe to means and methods that are creative rather than destructive, tolerant rather than authoritarian, gentle rather than violent, inclusive rather than exclusive. I pledge myself to harmonious eco-psychic awareness with the total biosphere of Holy Mother Earth.

Like an ancient tree, I would have my roots deep in the Earth and my branches reaching for the stars.

I acknowledge my personal responsibility for myself, to my fellow humans, and to the whole of Nature; and I recognize this total responsibility, in each of us, as the source of our infinite freedom to become who we are and do what we will. I dedicate myself to my own inner growth and development that I may be of greater service to myself and the world around me. For these reasons I recognize Divinity both within and without, and I say to myself and others: THOU ART GODDESS; THOU ART GOD.

I wish to unite with others upon a spiritual path that encompasses both the Heavens and the Earth, and hereby make application to join the membership of the Church of All Worlds, in order that we may learn together and teach each other ways to bring about these ends.

I understand that this association does not require the severing of any other religious ties.
